DynamicColor

PRODUCT INTRODUCTION

PIXI PRO series is designed for superior color mixing and pure white applications.

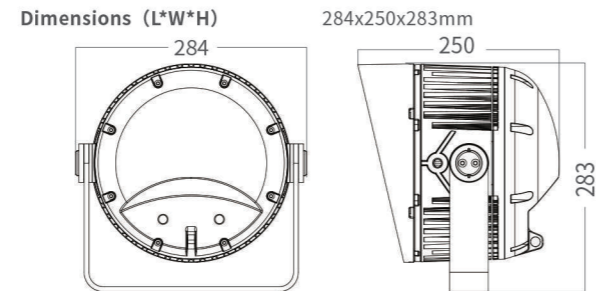

PIXI PRO Multiple Color is a 20W/LEDs, powerful, middle-size and efficiency led spot light, carry the color consistency system as a good advantage.

PIXI PRO Dynamic Color as a single LEDs spot light, equipped with color consistency system and a wide selection of beam angles and is fully IP-rated for permanent outdoor use.

PIXI PRO Dynamic white as a pure white spot light, designed for variable color temperature (1800k, 3000k, 4000k, 5700K, and 1800K-6500K) applications.

Uniform color mixing with 4 beam angle options and available more width lens optics.
